NEW RULE FOR 2014 - Passed at the AGM in November 2013 states that:-

Any match cancelled after 8.00 pm by the visiting team on the day preceding the match for reasons other than the weather/pitch conditions shall be fined £30 in addition to the fines levied in Rule 5 (b) (iv), (v). This sum will be passed to the home team to help defray expenses.

Order of Cancellation Process.

Cancellations BEFORE 8.00 pm on preceding day

i) **Away team** must contact home team by telephone before 8.00 pm **AND** both teams must also notify appropriate monitor by telephone/email before 8.00 pm to confirm cancellation has taken place within the time limit. The communication with the monitor will be time & date stamped by monitor (see page 5 for monitor's contact details). The person cancelling must leave their name. This will avoid a fine.

Cancellations AFTER 8.00 pm on preceding day

ii) Cancellations by **away team** after the 8.00 pm deadline **must also be reported** to the monitor, **who will date/time stamp communication.** The monitor will confirm with the Treasurer and the club at fault will be fined £30 on a later invoice. The home club will receive the £30 payment from the Treasurer at the end of the season.

1. The Handbooks. The handbooks went to print with all clubs having returned their Club Details sheet. However, I do know that there are already some changes to this information and there may be some inaccuracies from the Form submitted by the club. Clubs must update the Club Details Information by using their unique username and password on the website. Each club will be supplied with handbooks in the ratio of:- 10 for 1 team; 15 for 2 teams 20 for 3 teams. Please ensure that each of your captains has a copy. Additional copies are available from the League Secretary at £1 each + (£1.50 p&p if not collected at the EGM), while stocks last. Clubs wanting more copies should advise me, Ray Hancock, so that they can be available at the EGM.

NOTE. You should check the details of your Club in the new handbook and advise Ray Hancock, The Hon. Secretary, Somerset Cricket League, The Jays, Moss Lane, Ruishton, Taunton (Tel/Fax. 01823 444779 or E-mail raysomcricket@btconnect.com) of any changes immediately. These amendments should also be corrected on your club page on the website.

2. Club Unique Username and Password. All clubs have usernames and passwords that were devised for each club to access their pages on the system. These codes **must be used** to access the club page and keep the club **personnel details and email addresses** up to date. All clubs need to ensure that they have accessed their site between **January 1st and May 1st 2014** to check that their records are correct and up-date them accordingly. The Hon. Secretary and the Monitors have access to the whole system and can see the exact time and date that a club page was last opened for updating and corrections made! Any club failing to check their club details, and bring them up to date as necessary will be fined £30 after the first check (**just after May 1**) and £30 on subsequent checks after a warning has been issued. The Chairman and Management Committee need to see that the electronic administrative system is working properly before the season commences on **May 3**.

3. Rule Changes for 2014. There were a number of adjustments to the rules. The relevant ones for playing purposes were:-

Note All proposed changes to rule are shown in bold within the proposal.

3. Administration

(h) All clubs must appoint a Club Welfare Officer to conform to ECB mandatory rules. The officer will need to have a current CRB/DBS and hold certificates that show that he/she has attended **both a Safe Hands and a Safeguarding & Protecting Children Course** during the last 3 years. Evidence of the CRB/DBS and S&PC certification **must be made available to the Hon. Secretary before the season commences. The Safe hands certificate** must be made available to the Hon. Secretary **by December 31st 2014. Clubs that fail to appoint a qualified person and/or fail to provide evidence to the Hon. Secretary shall not be permitted to play a league match until the documentation has been provided. These forfeited games will be treated under Rule 5 (b) Championship Points (iv) & (v).**

Additional Rule

3. Administration

(i) Any match cancelled after 8.00 pm by the visiting team on the day preceding the match for reasons other than the weather/pitch conditions shall be fined £30 in addition to the fines levied in Rule 5 (b) (iv), (v). This sum will be passed to the home team to help defray expenses.

7. Players.

(d) Overseas Players

ii) An 'Overseas Player' * is defined as an overseas national who is not a holder of a United Kingdom of Great Britain and Northern Ireland Passport or an Eire Passport. Any person who falls into this category and wishes to play cricket in the Somerset Cricket League may ask the Management Committee for permission to play at least 7 days before his first game and no later than 31st May. (Form OP 2 applies – obtainable from the Hon. Secretary).# Clubs will only be given permission for this kind of player if he is already resident in the UK on a permanent basis and his reason for being here is not

primarily cricket. The player must be able to show that he has resided permanently in the UK for the SIX months prior to the season commencing.

4. Players.

- a. Registration of Players.** The data base of registered players from Season 2013 has been deleted so all clubs **MUST** register **ALL** players **including junior players** on the appropriate club pages on the website – see “Player Registration (all clubs)” in the Section 5 b that follows in this document. **Note.** Children in Years 7 and below **will again not be** allowed to play in the Somerset Cricket League in the 2014 Season. **The exception to this ruling is :- U12 county players** (minimum age 11) can play open age cricket with parental consent. The latest guidance is to be found in :- <http://static.ecb.co.uk/files/ecb-guidelines-for-junior-players-in-open-age-group-cricket-12678.pdf>. See also note 4c. below.
No player shall play for more than one club in the Somerset Cricket League or any other club in the West of England Premier League (WEPL) pyramid during the season without being correctly transferred as shown in Handbook Rule 7(b). A transferred player’s record (batting /bowling) will remain with his first club, but he will also appear in his second club’s statistics.
- b. Contract Players.** In the case of a **contract player** written permission **MUST** be obtained from the Hon. Secretary. The Club should give all relevant details of the contract player on Club Headed Paper and this request should be sent to the Hon. Secretary at least 7 days before they intend to play their first match for the club. This player may not play for the club until written authority has been received from the Hon. Secretary. This will enable the Hon. Secretary to check out the registration with the appropriate members of the Management Committee. **Note:-** *A contract player is a player with a professional contract for any club outside the League. This category of player may only play with the permission of the Management Committee.*
- c. Young Players. Minimum age of players. A directive from the ECB has banned Year 7 children and below playing in ‘All Age Cricket’ again in 2014.** As a result, children who were under the age of 12 at August 31st of the previous year will **not** be permitted to play in the SCL during the current season. ie. Year 7 age group. *Note. This will allow those children who are in Year 8 or upwards in the senior/middle school in the current season to play in the SCL.* However, any player in the Under 13 age group – Year 8 (ie. under the age of 13 at August 31st of the previous year) must have explicit written consent from a parent or guardian before participating in league cricket. Clubs must put consent procedures in place to ensure that a letter is obtained for players in this age group before they play their first game for the club.
- d. Young Players (Under 18s) in the Somerset Cricket League.** The Management Committee of the Somerset Cricket League has ruled that in ALL league matches any person under the age of 18 must wear a helmet with a faceguard or grille when batting or standing up to the wicket as wicket keeper. The Management Committee will not permit under 18s to play in League matches without an appropriate helmet, even with the written consent of parents.
- e. Transfers of players.** A player may transfer from one club to another by writing to the Results Secretary, Ian Latchem, 33 Pine Court, Radstock, Bath BA3 3HL requesting such a move. The letter must be countersigned by an official from each club and must be in the hands of the Results Secretary by 12.00 noon prior to him playing for the new club on that day. Transfers cannot take place after 12.00 noon on the first Saturday in August. (Rule7 b). On the website, a transferred player’s record (batting /bowling) will remain with his first club, but he will also appear on his second club’s statistics. This letter may be posted or faxed to the Results Secretary.
- f. Overseas Players.**
- (d) i) Overseas Players** shall not be permitted to play in the Somerset Cricket League unless specified in the sections below.
- ii) An ‘Overseas Player’ * is defined as an overseas national who is not a holder of a United Kingdom of Great Britain and Northern Ireland Passport or an Eire Passport. Any person who falls into this category and wishes to play cricket in the Somerset Cricket League may ask the Management

Committee for permission to play at least 7 days before his first game and no later than 31st May. (Form OP 2 applies – obtainable from the Hon. Secretary). **Clubs will only be given permission for this kind of player if he is already resident in the UK on a permanent basis and his reason for being here is not primarily cricket. The player must be able to show that he has resided permanently in the UK for the SIX months prior to the season commencing.**

iii) Any player who holds a current United Kingdom of Great Britain and Northern Ireland Passport or an Eire Passport shall be deemed a ‘home player’. A player who holds a current United Kingdom of Great Britain and Northern Ireland (or Eire) Birth Certificate shall be declared a ‘home’ player.

Note. To avoid confusion any overseas national who also holds a current UK passport should forward a copy of the passport page to the Hon. Secretary for record purposes.

* For the purposes of the Somerset Cricket League Rules, an ‘Overseas Player’ is defined in No. ii) above.

In the special case of an overseas player seeking to play for a club he (and his club) **must complete Form OP2 2014** and also give a separate detailed explanation of the reasons for breaching the Rule 7 (d) i). - **Note the comments from Form OP2.** *Permission will only be given if the club can give a satisfactory explanation to its reasons for the need to breach the SCL Rule 7(d) i).*

iv) *Clubs will only be given permission for this additional player if he is resident in the UK on a permanent basis and his reason for being here is **not primarily cricket.** Players who have come to the Club (and this Country) initially to play cricket and have stayed on afterwards will not be considered for approval under Form OP2. An example of approval may be someone who has moved to the club’s local community for employment/marital/family reasons. However, even this category will require a detailed explanation of the reasons for approval within the SCL Rules regarding ‘Overseas Players’* **The player must be able to show that he has resided permanently in the UK for the SIX months prior to the season commencing.**

*The detailed explanation to seek approval for registration purposes under Form OP2 should be made on club headed paper and should include as much information as is available to the club administration to allow the Management Sub-Committee of the Somerset Cricket League to have a full picture of the reasons to grant special approval under Rule 7 (d) iii). **Note.** Any person who falls into this category and wishes to play cricket in the Somerset Cricket League may ask the Management Committee for permission to play at least 7 days before his first game. (Form OP 2 applies – obtainable from the Hon. Secretary).*

Failure to provide the correct information or provide misleading information or incomplete information could seriously affect the status of the club and involvement in any matches by ‘illegal’ players could result in stringent penalties being imposed by the Committee.

5. Results.

a. **Notification.** The result of all games must be input on SCL Website. This will include the ‘Don Crouch’ score from **BOTH** teams. The home team is responsible for entering the result and full details of the scorecard of the match on the SCL website using the prescribed procedure before **midnight on the day following the match.** The away team must verify this result and the full scorecard details before midnight on Monday following the match (most matches are played on Saturdays, but in the case of Sunday games the verification must take place before midnight on Tuesday) using the prescribed procedure. Any team that fails to input/verify the result by the due time will be fined the sum of £10.00 and 6 points on each occasion.

The home team, with ages where appropriate, must send the completed Team Sheet/Result Sheet to the Results Secretary, Ian Latchem, by Fax or 2nd class post after the match. The Results Secretary must receive the Result Sheet no later than the Saturday following the game. The captain of each team must sign that the sheet is correct. Any team guilty of infringing this rule shall be fined the sum of £10.00. **Please do not fax Ian after 11.00pm on any night as the telephone/fax also rings in his bedroom.**

b. **Problems with inputting and verifying.** If club representatives have a problem either inputting or verifying a result through a computer problem or other similar problem then they **MUST** contact the

monitor, by telephone, who is responsible for their division. Failure to contact, Amanda, Toby or David in this way will result in a fine of **£s and points being levied**.

Divisions 1 – 4 = Amanda Counsell 01278 785324

Divisions 5 – 7 = Toby Strang 01458 272191

Divisions 8SE & NE; 9SE & NW = David Derrick 01823 660687

c. ARRANGEMENTS FOR 2014 are as follows:

Amanda Counsell (amandacounsell@yahoo.co.uk) will be the monitor and contact for Divisions 1 – 4 inclusive

Toby Strang (toby@strang35.freeserve.co.uk) will be the monitor and contact for Divisions 5 – 7 inclusive

David Derrick (david230275@googlemail.com) will be the monitor and contact for the two division 8s and the two division 9s

Each monitor will also be responsible for the processing and issuing of fines related to the failure of a club to input or verify results on time. Club submissions/appeals should be made to the divisional monitor.

d. Don Crouch Trophy 2014 and the Result Sheets. As in past seasons, both teams are required to record a score for the Don Crouch mark in 2014. The club captain/club representative must give a score of 0, or 1, or 2 (2 being the best) for their opponents on the day of the match against 5 different criteria. These scores must be recorded on the WEBSITE and the RESULT SHEET before sending it to Ian. **Note.** This score **MUST NOT** be put onto the sheet until just before faxing or posting the result sheet and should not be disclosed to the other team. As last year, **both teams MUST** record their marks for the opposing team on the website at the inputting/verifying stages. The mark will be completely secret and will not be seen by anyone accessing the results etc. Only the Hon. Secretary, the Results Secretary and monitors will have access to these facts. Defaulting clubs will be fined £10 per failure. *Rule 5. (k)*. This will also enable the Committee to monitor that the criteria for 'sportsmanship' is being upheld and this information could also be used in cases of disciplinary complaints.

Note: Don Crouch Marks will not be visible anywhere or at any time to another team.

e. Results Sheets. Please note that **ALL PLAYERS** must be listed on the form - even if some players have not batted. Where a team is short of full 11 players, a line must be drawn through the space provided for a name. (See Rule 7a. in the Handbook). Both Captains **must sign** the result sheet. Failure to list all players and/or sign the form will result in a fine of £10. (See Rule 5j. in the Handbook). Note. All players who were under 19 on 31st August 2013 must have their exact age at 31.8.13 marked on the Result Sheet. This information must be put on the Result Sheet before the match starts. Naturally, any player over 19 on 31.8.13 need not have age disclosed! As last year, the result sheet will be produced in a pad with 10 triplicate copies (1 white; 1 pink; 1 blue) - sufficient for the 9 home fixtures. A copy of the Results Sheet is shown below together with some highlighting of the salient facts that **MUST** be completed. The copies are on NCR paper ('no carbon required') and will require a ballpoint pen – press firmly – to complete the details. The **White Copy** must be either faxed to Ian Latchem or posted (using your own envelope) to Ian to arrive at the latest by the Saturday after the game. The **Pink Copy** should be used by the home team to input the match details onto the website and the **Blue Copy** must be given to the away team for verification purposes. The clubs should retain both the pink and blue copies for the remainder of the season

h. Results and League Tables. These will be available for all interested persons and the local papers by midnight on Sundays (the day after the match). Press Reporters will need to download these statistics from the League website (www.somerset-cricket.com). It will always give the most up to date information.

6. Ties, Promotion and Relegation

a. If more than one team ties on points at the end of Season. Rule 1 THE LEAGUE (g) In the case of two or more clubs tying for promotion or relegation the club with the most wins will be declared the 'highest', should they still be equal then the club with the least losses will be declared the 'highest', should they still be equal then the club with the greatest number of runs per wicket lost throughout the season will be declared the 'highest'.

b. Promotion/Relegation shall be on a two up/two down basis, except that promotion within Divisions 8 – (S/E and N/E) shall be two teams per division and relegation from Division 7 to Division 8 shall be four teams, put into the most appropriate regional division, subject to amendments by the Management Committee; any such amendments to be notified to all member clubs as necessary. Positions are to be determined by the aggregate number of points obtained during the season.

A club's 2nd XI (or lower level team) must be in a lower division than its 1st XI (or higher level team), and promotion will be denied to the 2nd XI (or lower level team) or relegation enforced on the 2nd XI (or lower level team) to ensure this so that a club shall have no more than one team in any one division.

The team that wins the 1st Division will be promoted to the Somerset Division of WEPL and at this point in time there will **still** be **only one promoted team** at the end of the Season. **Note. Rule 1. (c), (d), (f) applies**

7. Laws of the Game.

a. A Guide to the Common Laws of Cricket. You will find this set of advice in the 2014 Handbook. **We recommend that all captains and club umpires read these pages.**

b. No Balls and Wides. a) No Ball - Any run(s) scored from a 'no ball' will be added to the single run awarded for the 'no ball'. eg. A boundary scored from a 'no ball' will score a total of 5 runs. b) Wide – Any run(s) made from a 'wide' will be added to the single run awarded for the 'wide'. eg. Two runs made when the wicket keeper misses the 'wide' will score a total of 3 runs.

c. New Law. The umpire must call and signal 'No Ball' if a bowler, who in his final delivery stride, knocks one or both bails from the stumps with his leg or arm. The batting side will be awarded one run and there will be an additional ball in the over.

d. The Fast Bowling Directives of the ECB covering players in the Under 19 age group and younger. The Management Committee of the Somerset Cricket League requires that Club Committees ensure that their captains are made aware of this directive. The ECB fast bowling directives are set out below.

Under these directives, which came into effect at the start of the 2011 season, bowlers at under-16 and under-17 level were permitted to bowl an extra over per spell, but those in the under-18.

The fast bowling directives are designed to raise awareness of the need to nurture and protect young fast bowlers through their formative years. Research has shown that fast bowlers are by far the most likely players to be missing playing and training time due to injury. Fast bowling directives (based on 31st Aug last season)

| Age | max overs per spell | max overs per day |
|------------------|---------------------|-------------------|
| Up to 13 | 5 | 10 |
| U14-U15 | 6 | 12 |
| U16,U17,U18,U19. | 7 | 12 |

Under 18 spin bowlers can bowl their full quota of overs.

For these purposes a fast bowler should be defined as a bowler to whom a wicket keeper in the same age group would in normal circumstances stand back to take the ball

Having completed a spell the bowler cannot bowl again, from either end, until an equivalent number of overs to the length of his spell have been bowled from the same end. Interruption in play shall reduce this requirement by one over at each end for every 7 minutes of interruption.

Captains, Team Managers and Umpires are required to ensure that these directives are followed at all times.

- e. **Bouncers, Beamers and No Balls.** It was agreed by the EGM in April '06 that guidance to the use of high pitched balls should be adopted by the Somerset Cricket League. This code was successfully used for the 2006 - 13 seasons and it will continue to operate for this season.

The code reads as follows:-

A ball that passes the batsman, standing in a normal upright batting stance at the crease, above waist height without pitching must be called 'No Ball' at the first instance. See further details in the Handbook, page 40 under the section 'No Ball'.

A ball that pitches and then passes the batsman, standing in a normal upright batting stance at the crease, above head height must be called 'No Ball.'

A ball that pitches and then passes the batsman, standing in a normal upright batting stance at the crease, between the shoulder and the top of the head may only be bowled **once** per over and the umpire should indicate that this ball has been bowled for that over. If the bowler bowls another similar delivery in the same over then that ball must be called 'No Ball.'

These bowling regulations should be read in conjunction with 'A Guide to the Common Laws of Cricket' published in the Somerset Cricket League Handbook on pages 47/48.

The 'bowlers end' umpire may ask for help from the square leg umpire if he feels that it will help reach the correct decision.

f. Weather, Ground and Light Conditions

- The umpires shall be the final judges of weather, ground and light conditions.
- While both umpires consider that conditions are suitable for play it will continue.
- When, in the opinion of the umpires, conditions become unsuitable then they must:- Advise the batsmen at the wicket (batting captain's representative) and the fielding captain that conditions are unsuitable for play to continue and the players must leave the field.
- When, in the opinion of the same umpires, conditions become playable again they must inform the captains and play will resume.
- When, in the opinion of both umpires, the light conditions deteriorate to a level that is unsuitable for play the players must leave the field.
- When, in the opinion of the same umpires, the light level improves sufficiently for play to take place they must inform the captains and play will resume.

- g. **Umpires.** Where a game has only one official umpire provided either by the League or by a club, that umpire may stand at the bowlers' end for the whole match, **providing that he is prepared to do so and that both captains are in agreement that he should** - a player standing as umpire should stand at square leg under these circumstances. If captains fail to agree then this umpire should stand at one end only. . **The Committee is keen to enlist more neutral umpires onto the League list and would ask all clubs, but particularly those from Division 1, to try and find more people to join the panel.**

At the AGM in November 2012 the members unanimously agreed that a club umpire should stand throughout the match. This was basic cricket etiquette and was a long-standing, unwritten aspect of the game. Club captains are remind that a club umpire must be accorded the courtesy of standing throughout the match without any question or comment.

8. Other.

- a. **Cancelled games:-** i) due to weather - please make every effort to play even if a late start is necessary. Consult opponents before cancelling. If it is possible, switch the venue or play at an alternative venue.

ii) other reasons - Try to avoid cancellations because a loss of points and a heavy fine will follow.

In all cases of cancelled matches, an entry of the cancellation on the website must be made and verified. Ian Latchem must also be informed.

iii) Any match cancelled after 8.00 pm by the visiting team on the day preceding the match for reasons other than the weather/pitch conditions shall be fined £30 in addition to the fines levied in Rule 5 (b) (iv), (v). This sum will be passed to the home team to help defray expenses.

b. Strengthening of Second and Other Teams by Regular players from Higher Teams.

It is the responsibility of clubs, selection committees and captains to ensure that the situation of strengthening 'lower level' teams is not abused, particularly when 'higher level' teams have no fixture.

The Management Committee reminds clubs that it is contrary to the regulations set out in the pre-season circular and the spirit of the Somerset Cricket League for clubs to strengthen their 2nd. XIs; 3rd. XIs; and even 4th. XIs when they have a free 1st XI (or other 'higher level' team) date as a result of fixture changes or a vacant date. **All** results sheets will be scrutinised by the monitors to check against this practice, but the non-offending clubs are encouraged to bring this practice to the notice of the Committee if they believe that it has taken place.

A 'higher level' batsman playing in a 'lower level' team for the reason of choice to play at home or for his own convenience or a cancellation of the higher level game or due to the lack of players available for selection should not bat higher than No. 7. However, if the individual in question has sustained a bad run of form (note – this can be verified by the Results Secretary and the monitors for Management Committee purposes) in the 'higher level' team then he should be allowed to bat wherever in the batting order, without any restriction.

A 'higher level' bowler playing in a 'lower level' team for the reason of choice to play at home or for his own convenience or a cancellation of the higher level game or due to the lack of players available for selection should not bowl earlier than 3rd change (5th bowler) or after 25 overs have been bowled, whichever is the latter. However, if the individual in question has sustained a bad run of form (note – this can be verified by the Results Secretary and monitors for Management Committee purposes) in the 'higher level' team then he should be allowed to bowl wherever it is deemed appropriate in the sequence of bowlers, without any restriction.

On the occasions when 'higher level' players are *helping out due to the lack of the normal players* then the maximum number of such players shall be 3 players. (Note – this will be verified by the Results Secretary for Management Committee purposes)

The practice of **unfair strengthening of lower level teams** on days when higher level teams are without a fixture, or when situations that are contrary to the guidelines set out above are contravened, will be dealt with as a disciplinary action. The Management Committee will take a very firm stance by the imposition of monetary and points fines if a team is found to have breached these regulations.

The Results Secretary and monitors will be particularly vigilant in respect of the games where a higher team has a vacant date. Should a team believe that opponents are unfairly strengthening teams then they should raise the complaint with the Hon. Secretary or the Results Secretary.

- c. Fines.** These will be incurred for late results posted on the website (initial input, verification, score-sheet input and score-sheet verification) and late receipt by Ian Latchem (Results Secretary).
- d. League Website.** All the weekly information concerning the Shrubbery Somerset Cricket League will be found on the Website at www.somerset-cricket.com and clubs can also contact me by E-mail at raysomcricket@btconnect.com

9 Club/Ground, Pavilions and Support Facilities

The Grounds Sub Committee - Working to Improve Standards – A Shared Responsibility

The SCL's Grounds Sub-Committee - comprising Toby Strang, Martin King and Derek Hicks has drawn up a set of standards for grounds and facilities. The Committee has based its work on the ECB

Strategy that outlines the need to bring such facilities up to at least a basic standard and encourage investment where it will act as a catalyst for junior development. The SCL Grounds Sub-Committee will continue to review the facilities used at home grounds. The Committee has drawn up a document that sets out **Ground/Facilities Standards for clubs in the SCL**, together with a **timescale that required implementation by the start of the 2014 season** or as soon as is feasibly possible after that date for clubs to reach the required standard. The Committee will make visits to grounds and these visits will not necessarily be pre-warned.

A list of the minimum standards that has been adopted by the SCL has now been drawn up and this will form the **future benchmark** and is shown below.

The Committee has focused on four key areas, namely: i) Fit for purpose : ii) Health, Hygiene and Safety : iii) Hospitality : iv) Duty of Care (with special reference to young players)

The following provisions are considered to constitute a revised **Minimum Standard** as detailed below:-.

1. **Players Changing Room(s)**: To offer adequate and clean changing facilities within the immediate or very close proximity to the playing area. (Min requirement a portable covered area such as a gazebo)
2. **Toilet Facilities**: To be in proper working order – either unisex or differentiated where possible, within easy access from the playing area. To be clean and supplied with paper and with hand wash facility supplied with soap, clean towel(s) or other hand-drying facility.
3. **Shower Facilities**: (In situ) to be in working order.
4. **Seating / Cover**: Adequate seating for the batting side and scorer(s) **table must be provided**. Temporary (if not permanent) shelter for players, scorer(s) to provide protection from sun and rain when either play is continuing or for shelter to be taken when play is temporarily interrupted.
5. **Tea Interval**: To make available adequate and sufficient seating.
6. **Access**: Clubs to arrange adequate parking with clear area to allow for quick and easy access by emergency vehicles.
7. **First Aid Kits All Clubs must have a FIRST AID KIT in place. See on PAGE 1 for details of this Kit**. To be in place at the ground of play on match days supplied by the Home club with visiting teams made aware of its location. The FAK to meet the minimum requirements to deal with the most common sports-related injuries (see BS 8599).
8. **Consideration of Youth Members**: Evidence of the club's attention to its 'Duty of Care' should be available. The name and contact details of the **Club's Welfare Officer** (this post is a statutory League requirement) should be clearly displayed and evidence available on request that 'Safe Hands' accreditation has been issued and is currently valid.
9. **Grass pitches** to be made available when ever possible

NOTE. The Committee is very much aware that there are teams hiring the use of school grounds and council pitches, many of which are inadequate. Sometimes there is little that clubs can do to rectify the situation. Please advise the Committee if your hired ground falls within this category.

Where at all possible, please do your utmost to offer the most basic requirements if only on temporary basis on match days

SCL is committed to assisting clubs meet and maintain these standards and asks that clubs work in tandem with league officers to achieve our aim of meeting – and, ideally exceeding, the minimum standards at all the grounds used by members.

SCL Grounds Sub-Committee members would welcome any comment, queries or concern that member clubs have about their own or their opponents' facilities. Committee members can be contacted as shown below.
