

Dear all,

Every cricket league has the "guy who didn't quite make it". Every club has a talent who never really got a fair shot. On Cricket AM this summer we're looking to unearth these gems and give them... a shot at the pros. Our two lucky winners will spend one week living the life of a pro-cricketer. They will train, eat and live alongside their county team mates, picking up tips and pointers from world famous coaches and players.

If you think you deserve a "shot at the pros" then we want to hear from you. Record a short video telling us about your career in cricket so far, why you love the game and why you deserve... a shot at the pros and head to [www.skysports.com/cricketam](http://www.skysports.com/cricketam) for details on how to upload and enter.
