

Monitors for the Results Service

The following members of the Management Committee have agreed to monitor the weekly inputting and verification of results and scorecards.

They will be checking the system after the due dates and times and failures to meet those targets will attract a fine. They will report their findings to the Officers of the League who will then determine the appropriate fine. (See Rule 5).

They have also agreed to offer help if club reps find difficulties with the system. However, this help should soon be unnecessary as club reps get used to the way the results system works. Please don't bother them with unnecessary questions and observations that can be ascertained by careful reading of the instructions!

If you need their help, preferably email your concern as they may not always be available on the telephone.
