

Hello Sunday League Cricket Community,

I hope all is well.

I have taken on the responsibility of fixtures secretary for North Petherton Cricket Club for 2015.

On behalf of the club, I'm trying to gauge interest in a three way, 15 over a-side friendly competition at our ground for the forthcoming season?

We accidentally came into this format last year as three sides turned up to play one game and a format was devised so that all 3 clubs could play some cricket. It was extremely enjoyable and as a result we are looking to host 2 of these this summer, one on **Sunday 31st May** and the other on **Sunday 26th July**. (Approx. 11.00 start time).

As a club we feel that our Sunday league games give the youngsters satisfactory time to play 40 over cricket and feel this is a good way of revamping Sunday friendlies which have become a little stale.

The proposal would ensure that the game would be as inclusive as possible, a set of rules would be applied (TBC), something along the lines of 1 hour per innings and at least 6 different bowlers per side. Although inclusive we want it to be fairly competitive.

We would envisage this mini triangular tournament would be exciting, give everyone a chance to take part and the day would last no more than 7 hours. As a club we would also look to put on food for any interested clubs and make the day as enjoyable as possible.

Please can you let me know if this is of interest to your club and what date/dates if any you would be interested in? **This will be done on a first come first served basis!**

If you have any thoughts/questions both positive and negative please feel free to share/ask?

I look forward to hearing from you.

Best Regards

Lewis Irish
