Regionalisation of Divisions 6 & 7

The Management Committee has considered the possibility of further regionalisation to cover teams in Division 6 and 7 starting with a regionalisation in 2015. The aim being to help reduce travelling distances, to reduce cost and time of travelling and to give away teams more chance to get home earlier.

I have been asked by the Committee to get the views of as many clubs as possible from Divisions 5, 6 & 7. The Committee felt that Division 8 teams are already in a regionalised system, but Division 5 teams could be involved in the near future of 2016.

If this action is to be put in place for 2015 then the 2015 fixture list, which will be drawn up during the next few weeks, will need to reflect this decision.

I need your response by **Wednesday September 10th** at the latest. The Management Committee will meet on that date and make a decision based on the returns from clubs. The Committee felt that this survey of involved clubs would give a more accurate reply than a wide ranging debate at an AGM or EGM.

This survey is directed solely at the clubs listed below as they are the ones that are likely to be playing in 2015 in the division shown.

Division 5
