2015 Tables: Teams are numbered according to their **current** SCL position. **GREEN** are promotion positions and **RED** are relegation positions.

2016 Tables: Shows how divisions would be made up after the assimilation of teams returning from the West of England Premier Cricket League. Positioning within the SCL of teams returning from WEPL can vary depending on their **current** divisional position within WEPL. SCL Divisions are then completed by honouring promotion and relegation and the 2015 performance position.
