2015 Tables: Teams are numbered according to their **current** SCL position. **GREEN** are promotion positions and **RED** are relegation positions.

2016 Tables: Shows how divisions would be made up after the assimilation of teams returning from the West of England Premier Cricket League. Positioning within the SCL of teams returning from WEPL can vary depending on their **current** divisional position within WEPL. SCL Divisions are then completed by honouring promotion and relegation together with 2015 performance positions.

CHANGES SINCE WEEK 12: Taunton 2 drop out of a Tier 3 promotion position. The number of teams returning from WEPL remains at 15. As the season progresses and Divisions in both WEPL and SCL stabilise the number of weekly changes are reducing but further changes affecting the make-up of the SCL top four divisions are still possible.
