We will then consider the appeal and if found to be bone fide then the fine will be removed. However, all the above failures have been date and time stamped on the monitoring system.

Hon. Secretary

The fines for non compliance of the Results/scorecards inputting and verification is set out below.

Fines Schedule for failure to meet the deadlines for :-

- 2. The verification of results;**
- 3. The input of scorecards;**
- 4. The verification of scorecards.**

Deadlines shown below

Week 5 – Week 9 (May 29 – June 26)

Any of the above 4 deadlines not met on time = £10 fine per failure.

Week 10 – Week 18 (July 3 – Aug 28)

Any of the above 4 deadlines not met on time = £10 fine and 3 points deducted per failure.

If there are any mitigating circumstances that prevent a club from meeting the deadlines, as set out below, then they should contact their monitor – see list below or Ray Hancock (League Secretary) if the monitors are unobtainable in the first instance. This contact will relieve the club of any fine. Note. If a club has not input the result/scorecard then it can't be verified and the club verifying will not be fined.
