The number of overs available to the side batting second may not exceed 45 overs. Under the circumstances set out in this rule, should the side batting second fail to pass the total of the side batting first and are not bowled out then the result of the game is a rain affected draw and the points set out in Rule 5 d v) below apply.

Each monitor will also be responsible for the processing and issuing of fines related to the failure of a club to input or verify results on time. Club submissions/appeals should be made to the divisional monitor. The captains are responsible at all times for ensuring that play is conducted within the Spirit of Cricket as well as within the Laws.

Players and team officials must at all times accept the umpire's decision. Players must not show dissent at the umpire's decision or react in a provocative or disapproving manner towards another player or a spectator.

1.2 Spirit of Cricket

Cricket is a game that owes much of its unique appeal to the fact that it should be played not only within its Laws, but also within the Spirit of the Game. Any action which is seen to abuse this spirit causes injury to the game itself. The major responsibility for ensuring the spirit of fair play rests with the captains.

- 1.2.1 There are two Laws which place the responsibility for the team's conduct firmly on the captain.

Responsibility of Captains

The captains are responsible at all times for ensuring that play is conducted within the Spirit of the Game as well as within the Laws.

Player's Conduct

In the event of any player failing to comply with the instructions of an umpire, criticising his decision by word or action, showing dissent, or generally behaving in a manner which might bring the game into disrepute, the umpire concerned shall in the first place report the matter to the other umpire and to the player's captain, requesting the latter to take action.

- 1.2.2 **Fair and Unfair Play**

According to the Laws the umpires are the sole judges of fair and unfair play. The umpires may intervene at any time, and it is the responsibility of the captain to take action where required.

- 1.2.3 **The umpires are authorised to intervene in cases of:**

Time wasting

Damaging the pitch

Dangerous or unfair bowling

Tampering with the ball

Any other action that they consider to be unfair.

- 1.2.4. **The Spirit of the Game involves RESPECT for:**

Your opponents

Your own captain and team

The role of the umpires

The game's traditional values

- 1.2.5. **It is against the Spirit of the Game:**

To dispute an umpire's decision by word, action or gesture

To direct abusive language towards an opponent or umpire

To indulge in cheating or any sharp practice, for instance

appeal knowing the batsman is not out

advance towards an umpire in an aggressive manner when appealing

seek to distract an opponent either verbally or by harassment with persistent clapping or unnecessary noise under the guise of enthusiasm and motivation of one's own side.

- 1.2.6 **Violence**

There is no place for any act of violence on the field of play.

- 1.2.7 **Players**

2. **Aims and Jurisdiction**

These regulations shall apply to any player who plays for any club at any level under the auspices of the ECB and are intended to provide assistance and uniformity to all Clubs and Leagues in dealing with any alleged breach of the ECB Code of Conduct and Spirit of Cricket (Paragraph 1).

It is intended that any breach of Paragraph 1 should in the first instance be dealt with by the player's club who shall notify the Secretary of the League of the result of any action taken against its player.

3. **Procedure**

3.1 Any alleged breach of Paragraph 1 above shall be notified in writing (to be known as 'a Complaint') to the Secretary of the League.

3.2 Any complaint so initiated must be referred to the Chairman of the League or the Chairman of the League Disciplinary Committee.

3.3 Upon receipt of such complaint, and as soon as reasonably practicable, the Chairman of the League or of the League Disciplinary Committee shall consider the complaint and resolve either:

3.3.1 To take no action except to record the complaint and notify the club; or

3.3.2 To endorse the disciplinary action taken by the club; or

3.3.3 To refer the matter for a Disciplinary Hearing which shall be convened by the Chairman of the League or of the League Disciplinary Committee as soon as practicable.

4 **Disciplinary Hearing**

4.1 In any case which is referred for a Disciplinary Hearing, at least seven days' notice in writing of the hearing and of the offence(s) alleged shall be given to the player, or in the case of a club, its Secretary.

4.2 The Chairman of the League or of the League Disciplinary Committee shall convene a hearing as soon as is practicable and in any event within 28 days of the decision to refer. Any adjournments may be granted at the discretion of the Chairman of the Disciplinary Hearing.

4.3 The player and club shall be entitled to attend the hearing, state their case (in the case of a club by its Secretary or other official), to be supported by a colleague and to call witnesses.

4.4 The Hearing shall be conducted by the Disciplinary Committee of the League which shall consist of not less than three persons, none of whom shall be connected with the player, the club or their opponents at the time of the alleged breach.

5. **Appeals Procedure**

5.1 A player or club shall have the right of appeal to the Appeals Committee. Notice of Appeal setting out the grounds must be given in writing to the Secretary of the League within seven days of the decision of the Disciplinary Committee, together with a deposit of £30.

5.2 If Notice of Appeal is given the penalty shall not take effect pending the hearing of the Appeal, which shall take place as soon as is practicable.

5.3 The Appeal shall be by way of re-hearing before a different Committee. The composition of the Committee shall be at the discretion of the Chairman of the League or of the League Disciplinary Committee and shall consist of not less than three persons, none of whom shall be connected with the player, the Club or their opponents at the time of the alleged breach. The player or club shall have the same rights of attendance and representation, and to call witnesses as they had before the Disciplinary Committee.

5.4 The Appeals Committee may confirm, vary or reverse the decision of the Disciplinary Committee and it shall have the power to increase the penalty and award costs of the Appeal hearing. Decisions of the Appeal Panel shall be by majority vote; where necessary, the Chairman shall have a casting vote.

- 5.5 The decision of the Appeals Committee or, if no appeal, of the Disciplinary Committee, shall be final and binding.

- 6.2 The purpose of the Internal Club Enquiry shall be to establish the facts and, where appropriate, to take the necessary disciplinary action so as to ensure that the club does not fail properly to control or discipline its player or players and to ensure that the club acts in a manner designed to protect the good name of the club and of cricket generally.
