GET SET WEEKEND

23-24 March 2024

CALLING ALL CLUBS GET READY FOR THE 2024 SEASON

The priority window for this year's #GetSetWeekend closes TOMORROW and we would hate for you to miss out on this year's opportunities open to all clubs registered by midnight on 29 February 2024.

Hosting a #GetSetWeekend provides the opportunity for your club to not only to prepare their physical facilities and grounds but also to inspire new and existing volunteers to get involved at their local club.

Climate Fresk Workshops

Sport England are providing free Climate Fresk workshops and Sport Imaginarium workshops open to all of the cricketing network.

We would encourage you all to take advantage of the opportunity to get free training on environmental sustainability and the climate crisis.

Three different styles of training are available.
